Alumni Volunteers

The Alumni Volunteers are former members of the Student Leadership Services, Inc. Student Advisory Board (SAB) and other young adults who have benefited from SLS programs. SLS Volunteers hope to be able to pass on the strength, skills and knowledge that they acquired as members of SLS programs, such as Students Leading Students, STAND and Peer Resistance Skills.

Mission

The mission of the Alumni Volunteers is to organize and mobilize alumni to support Student Leadership Services, Inc. and combine their passion for substance abuse prevention with their educational and career experience in a concrete manner.

Goals and Objectives

The goals of the Alumni Volunteers focus on coalition building, fundraising, event support, technical support, and organizational commitment on the SLS Board of Directors.

Coalition Building

The Alumni Volunteers are dedicated to increasing communication between Student Leadership Services, Inc., alumni, chapters, other prevention organizations and the community. The Alumni Volunteers manage www.slstoday.org and www.studentsleadingstudents.org to increase support and membership in SLS.

Fundraising

The Alumni Volunteers foster corporate partnerships, support student grant writing and develop fundraising activities to achieve long-term financial solvency. They also support SLS with personal contributions.

Event Support

SLS Alumni Volunteers staff SLS trainings and events statewide. Police, Firefighters, Emergency Medical Technicians, Nurses, Computer Specialists, Sound Technicians, Disc Jockeys, Speakers, Development Directors, Lawyers, Teachers, Social Workers, and other professionals dedicate themselves to preparing youth for success.

Technical Support

A Volunteer Alumni, a visionary, created the SLS web site in 1994. The site was launched at a Cyber Café created by another visionary Alumni Volunteer and held at the Annual State Leadership Conference. Since that time the site is updated, maintained and sponsored by Alumni Volunteers. Alumni Volunteers troubleshoot and update SLS office computers with each relocation of the office. Strategic planning for the virtual world is a 2011 priority.

Board of Directors

At least one Volunteer Alumni is represented on the SLS Board of Directors.

SLS is extremely grateful to the Volunteer Alumni and their selfless commitment to develop young leaders.
