## PURPOSE AND BELIEFS

Demonstrated through our actions and words, SLS's purpose is to increase positive decision-making and reduce negative alcohol and other drug-related choices. We include all students who support this goal. We also recognize the harmful effects of alcohol and the use of other substances by underage teens. We encourage the expansion of our purpose to include those activities that contribute to the positive development of individuals and a caring spirit within the school and community.

### WE FURTHER BELIEVE THAT...

- The use of alcohol and other drugs is self –defeating.
- Driving under the influence of alcohol and other drugs endangers our lives and the lives of others.
- Distracted driving endangers lives.
- We endanger our lives when we ride in a vehicle with a driver who is under the influence of alcohol or other drugs, or is distracted or driving recklessly.
- Our actions and attitudes have a significant effect on creating positive change.
